Transition
checklist

We've put together a checklist to help you track your health needs and make your move to Moda Health as ***easy as possible***.

Find an in-network provider, or check to see if your provider is in-network

To find an in-network provider, or to check to see if your current provider is in-network, go to modahealth.com. In the "Find Care" box on the lower left side of the screen, select "Find a doctor, dentist, pharmacy or clinic." Then, you can search as a guest or enter your subscriber ID to look for an in-network provider.

Fill out and submit a Transition of Care Request form if you are:

- Scheduled for a procedure
- In the middle of treatment
- Pregnant
- Taking specialty medications

If you are scheduled for a service, in the middle of treatment for a medical condition, or pregnant, you may be eligible for a transition of care. Transition of care is when your health plan changes during certain medical treatments. As a result, the medically necessary services become out-of-network. If this is the case for you, please fill out our Transition of Care Request form. You can find it at modahealth.com/members/forms.shtml.

If you are currently working with a case manager, we would like you to work with one from Moda Health. Please call **800-258-2037** to request a case manager.

Fill your prescriptions one more time

You may want to fill any prescriptions you are taking one more time to make sure you have enough to last you during your transition of care.

See what medications we cover

There will most likely be changes in how your prescription benefits are managed with us. See what medications we cover and get cost estimates for them by visiting modahealth.com/pdl.

If your medication needs authorization, please call us at **866-940-0360**. We will work with you and your provider to get the information we need to complete your medication review.

Show your new Moda Health member identification card to your pharmacist

When you receive your member identification card, please show it to your pharmacy. You will want to do this before you fill your prescription. Also, let your pharmacist know that this card replaces the insurance information you have on file.

Find a participating pharmacy

You can find a participating pharmacy at modahealth.com. In the "Find Care" box on the lower left side of the screen, select "Find a doctor, dentist, pharmacy or clinic." Then, you can search as a guest or enter your subscriber ID to look for a pharmacy. If you have any questions, please call Moda Health Pharmacy Customer Service at **866-940-0360**.

Mail-order pharmacies

1. Contact your doctor and request a new prescription for up to a 90-day supply of each medication. You probably will not need a doctor's visit to get a prescription for a medication you already take.
2. Mail the new prescription and completed order form to the Moda Health mail-order partner. Please call Moda Health Pharmacy Customer Service at **866-940-0360** to find out who the mail-order partner is and how to receive an order form. Please do not mail photocopies of prescriptions.

Get credit for deductible costs that you've already paid

Depending on your plan, you may receive a credit for the amount you've already paid toward your deductible*. Please contact your current benefits plan administrator to see if this applies to you.

Most insurers will send us a report of deductible costs so we can credit your account. If your carrier does not provide this report, you will need to fill out and send a copy of your most recent explanation of benefits (EOB) to your employer.

We will credit your account after your employer sends that to us.

**This may not apply to all groups. Please ask your employer if you are eligible for deductible credit.*

Create your Member Dashboard account

One of the first things you'll want to do is create your Member Dashboard account. Member Dashboard is your personal website. Within the site, you can find information about your plan, as well as many services, tools and programs created to help keep you healthy. Check it out at modahealth.com/memberdashboard.

□ Once you are a member, remember to get your vaccinations

Once your coverage with us begins, make sure to get your vaccinations. Vaccinations are some of the most important tools available for preventing disease. Many vaccinations are now covered at pharmacies such as Albertsons Sav-on, Bi-Mart, Fred Meyer, Rite Aid, Safeway and Walgreens. The following vaccinations are covered at your network pharmacies:

- Influenza
- Meningitis
- Pneumonia
- Hepatitis A
- Hepatitis B
- Tetanus, diphtheria and pertussis
- Shingles
- Human papillomavirus (HPV)
- Varicella

□ Connect with health coaching

You can use our health coaching programs to get one-on-one support to manage health conditions. We offer coaching programs for:

- Cardiac care
- Dental care
- Depression care
- Diabetes care
- Lifestyle coaching
- Respiratory care
- Spine & joint care
- Women's health & maternity care

To enroll in a health coaching program, please call **877-277-7281** or email careprograms@modahealth.com.

Questions?

Please see the FAQs for members at [modahealth.com](https://www.modahealth.com) under "Member overview" and then "Resources." You can also contact Medical Customer Service at 855-522-9807 or Pharmacy Customer Service at 866-940-0360.

Continuity of care (transition of care) request form

- Transition of Care – New enrollee transitioning on to a new plan
- Continuity of Care – Existing member whose provider network has changed

Transition of Care ▶ Transition of care occurs when your health plan changes during the course of certain medical treatments, and as a result, the medically necessary services become out-of-network. It may be necessary to continue with your current provider for a period of time to complete the course of treatment, or delivery in the case of pregnancy, at the in-network level. If you are scheduled for a procedure, in the middle of treatment for a medical condition or are pregnant, you may be eligible for a transition of care. (Form should be submitted at the of time health plan change, but no later than 30 days after the effective date of your coverage).

Continuity of Care ▶ Continuity of care occurs when there are changes to your network, and there are clinical reasons preventing immediate transfer of care to an in-network provider. Continuity of care allows the member to receive services at in-network coverage levels for specified medical conditions for a defined period of time. (Form should be submitted within 30 days of the network change).
