Section 1 – Introduction

This directory provides a list of Delta Dental of Oregon Medicare Advantage Plans' network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

The network providers listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers. Other providers are available in our network.

Out-of-network providers are under no obligation to treat Delta Dental of Oregon Medicare Advantage Plans' enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at 877-299-9062, from 7 a.m. to 8 p.m., Pacific Time, seven days a week from October 1 through March 31 with the exception of Thanksgiving Day and Christmas Day. (After March 31, your call will be handled by our automated phone system Saturdays, Sundays and holidays.) TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

How to get care from out-of-network providers

As a member of our plan, you can choose to receive care from out-of-network providers. However, please note providers that do not contract with us are under no obligation to treat you, except in emergency situations. Our plan will cover services from either network or out-of-network Medicare providers, as long as the services are covered benefits.

However, if you use an out-of-network Medicare provider, your share of the costs for your covered services may be higher.

When you receive care from a provider who is part of our network, you are only responsible for paying your share of the cost, not for the entire cost. (Your share of the cost may be higher for an out-of-network Medicare provider than for a network provider.) You should ask the provider to bill the plan for our share of the cost.

- If you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- At times you may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made.

- If the provider is owed anything, we will pay the provider directly.
- If you have already paid more than your share of the cost of the service, we will determine how much you are owed and pay you back for our share of the cost.

Mail your request for payment together with any bills or receipts to us at this address:

Delta Dental of Oregon
P.O. Box 40384
Portland OR 97204-0384

Please note: While you can get your care from an out-of-network provider, the provider must be eligible to participate in Medicare. Except for emergency care, we cannot pay a provider who is not eligible to participate in Medicare. If the provider is not eligible to participate in Medicare, you will be responsible for the full cost of the services you receive.
