

Prescription drug list

An evidence-based pharmacy program that works for you

For medications not listed, Moda Health provides an online drug price check tool for members. You can access this resource by logging in to your myModa account at modahealth.com and choosing the Pharmacy tab.

What is the Moda Health Preferred Drug Program?

The Moda Health Preferred Drug Program is a pharmacy program that offers a choice of medications that are safe and effective treatments. The program provides value to Moda Health members by saving them money on prescription medications.

How does the program work?

This program uses a tiered copay/coinsurance system. Members and their doctors can choose between the value tier, select tier, and preferred tier. Each tier has a different copay/coinsurance amount and what you pay depends on your plan. Refer to your Member Handbook or call Moda Health for plan details or specific medication tier information.

Who makes decisions about medications on the prescription drug list?

The list is developed and maintained by a group of doctors and pharmacists called the Pharmacy and Therapeutics Committee. These doctors and pharmacists are not employed by Moda, but may see patients who have Moda coverage. The Committee makes decisions based on information about a medication's safety, effectiveness and associated clinical outcomes.

For more information about our Preferred Drug Program, please visit modahealth.com or call us toll-free at 888-361-1610.

How to read your prescription drug list

Refer to the chart below for a list of prescription medications covered by Moda Health. Medications that are new to the market are subject to a review period. Please contact us if you are taking a medication that is new to the market.

Some medications have special requirements that could affect your prescription. To find out more information about the restrictions in the prescription drug list below, please refer to the “Medication Restrictions list” at modahealth.com/pdfs/rx_priorauth.pdf.

Drug Tier Key	
<i>Bold Italic Font</i>	Brand name medications
Regular Font	Generic medications
V	Value tier – Value medications include commonly prescribed medications used to treat chronic medical conditions and preserve health. If your benefit does not include a preferred tier, medications under this tier will be paid at the select or brand tier copay/coinsurance level.
S	Select tier – Generic medications are considered by physicians and pharmacists to be therapeutically the same as brand name alternatives and more cost-effective. Generic medications must contain the same active ingredient as their brand name counterparts and be identical in strength, dosage and formulation.
P	Preferred tier – The preferred tier includes brand and specialty brand name medications that have been reviewed by Moda Health and found to be clinically effective at a favorable cost when compared with other medications in the same category. This tier may also include generic medications that have been found to have the same clinical outcomes as their more cost-effective generic counterparts in the same category. If your benefit does not include a preferred tier, medications under this tier will be paid at the select or brand tier copay/coinsurance level.
NP	Non-preferred tier – This tier includes brand and specialty brand name medications that have been reviewed by Moda Health and found not to have a significant therapeutic advantage over their preferred tier counterparts.
Restrictions Key	
ACA	Preventative care – These medications are covered under the Affordable Care Act and considered preventative medications. They may be covered at no cost to you. Certain restrictions may apply.
CH	Chemotherapy medications – Medications indicated as cancer chemotherapy medications may be covered at a lower cost. Refer to your Member Handbook or call Moda Health for plan details or specific medication coverage information.
SP	Specialty medications – Certain prescription medications are defined as specialty products. Specialty medications are often used to treat complex chronic health conditions. Specialty treatments often require special handling techniques, careful administration and a unique ordering process. You must access specialty medications through the exclusive specialty pharmacy. All specialty medications require a prior authorization before they can be dispensed. To enroll with Ardon Health Specialty Pharmacy, call toll-free at 855-425-4085.
PA	Prior authorization required – Your healthcare provider must work directly with Moda Health to obtain approval before we can process payment for a specific medication.
QL	Quantity limits – Some medications have limits to how much you can get per prescription or refill.
ST	Step therapy required – You must try one or more “first line” medications before you can get this step therapy medication.
A	Age limits – Some medications are limited to certain ages based on FDA recommendation or plan benefit limitations.

This list of medication authorizations changes periodically. To learn about a medication's prior effective date, request authorization or see if your medication needs it, please contact our Pharmacy Customer Service team.

Nondiscrimination notice

We follow federal civil rights laws. We do not discriminate based on race, color, national origin, age, disability, gender identity, sex or sexual orientation.

We provide free services to people with disabilities so that they can communicate with us. These include sign language interpreters and other forms of communication.

If your first language is not English, we will give you free interpretation services and/or materials in other languages.

If you need any of the above, call Customer Service at:

888-217-2363 (TDD/TTY 711)

If you think we did not offer these services or discriminated, you can file a written complaint.

Please mail or fax it to:

Moda Partners, Inc.
Attention: Appeal Unit
601 SW Second Ave.
Portland, OR 97204
Fax: 503-412-4003

If you need help filing a complaint, please call Customer Service.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services Office for Civil Rights at ocrportal.hhs.gov/ocr/portal/lobby.jsf, or by mail or phone:

U.S. Department of Health
and Human Services
200 Independence Ave. SW, Room 509F
HHH Building, Washington, DC 20201
800-368-1019, 800-537-7697 (TDD)

You can get Office for Civil Rights complaint forms at hhs.gov/ocr/office/file/index.html.
