Affinity plans are Exclusive Provider Organization (EPO) plans with a premier network of local providers.

Affinity prioritizes both your well-being and your budget. If your current doctor isn't in-network, our selection process makes it easy to switch to one who is.

In-network means the doctors and facilities meet certain requirements and agree to accept a discounted rate for services under your plan.

Out-of-network means the doctor or facility is not contracted with your health plan and can charge you full price for services. Care from out-of-network providers is not covered on Affinity plans.

Calculate what you *pay each month*

Our plans offer competitive premiums – the amount you pay each month for coverage. If you want great benefits and value, you’re in good hands.

When selecting your dental plan, you want to know:

Who are these premiums for?

These premiums apply to members who live in Oregon.

What affects my premium?

The plan, your age and the ages of your dependents may affect your premium amount. If you have more than three dependents under age 21 on the plan, you will only be charged a premium for the first three. Child dependents ages 21 through 25 have a premium based on their actual age. Having a birthday during a plan year won’t affect your current premium. When you renew your plan in January, your premium will reflect the current plan amount for your age.
